Exploring Faith, Life and Learning

24.09.25

Dear Parents/Carers,

We are really trying to promote a love of reading in school. As an incentive, in Celebration Assembly next Friday, the children who have read the most in their class will receive a certificate and then be entered into a draw to have afternoon tea on Friday afternoon. This will be a weekly event. In addition to this, the class who have read the most will receive a sticker on our whole school reading chart, and the winning class at the end of the half term will receive a book prize. Two children from that class will get to go to the shop to select the book. We are asking you to please encourage your children to read at home. Please listen to them read and then record this on Learning with Parents.

You will notice that when the teachers listen to your child read in Y3-Y6, they will record a code, along with a comment, on Learning with Parents. The code refers to a skill which your child has been assessed on. The code meanings, along with some questions which you could use to ask your child at home, are attached alongside this.

If you have any questions regarding anything, please do ask.

Thank you for your support, it is greatly appreciated.

Miss Smith
