Colour Run 2026 – The Biggest One Yet!
It's time for the best event of the year as we once again *make it rain colour!* Last year you loved it… and this year we're back bigger, brighter, and bursting with even more paint than ever before!

Get ready for a fun-filled day as our children take on the Colour Run race, surrounded by clouds of vibrant colour and plenty of smiles along the way. But the excitement doesn't stop there…

Parents' Race!
This year we're adding a special race at the end for any parents who want to get involved – because why should the kids have all the fun?

Summer Fair Celebration
Once the races are complete, stick around for our summer fair in the playground with games, activities, and plenty to enjoy for the whole family. Our gates will open to all for the fair from 5:45pm (for anyone not joining the Colour Run event).

Important Information

- All children must be accompanied by an adult. Children will not be admitted without a present adult (over 16)
- Siblings are welcome to attend (if participating they will need to be under 12 and purchase a children's ticket. Parents/guardians are responsible for them throughout the event.

Bring your energy, wear something you don't mind getting colourful, and get ready for an unforgettable day of fun, laughter, and community spirit whilst helping us raise vital funds for school.
