1. Our Policy

St Edward's C of E Primary School fully recognises its responsibilities for tackling extremism in all forms and its responsibilities in protecting children/young people from exposure to all types of radicalisation.

2. Aims & Principles

This Extremism and Radicalisation Policy is intended to provide us with a framework of dealing with issues of vulnerability, exposure to extreme views and ideologies which are seen to be inflammatory and against the ethos of our school.

We recognise we are in an important position to identify the early signs, looking to safeguard and protect children / young people who are susceptible and vulnerable. We recognise the need to respond in taking appropriate action to prevent extremist views and ideologies developing alongside providing a broad curriculum. This policy sets out how we will deal with this.

Our parents and carers also need an understanding of the issues being well informed of our efforts at every opportunity in order that parents and carers are clear about how the school will deal with such incidents including how our curriculum and ethos underpins our actions.

Effective engagement with our parents/family are also important as they are in a key position to spot signs of radicalisation. It is important to assist and advise families who raise concerns and point them in the right direction for support.

We will make this policy available to our parents/carers, to our local community. This Policy will also be made available on the school website.

3. Links to other policies

The Tackling Extremism & Radicalisation Policy is linked to the following policies:

- Safeguarding & Child Protection Policy
- Equality & Diversity Policy
- Anti- bullying Policy including Cyberbullying
- Behavioural Management Policy
- E-safety Policy

Furthermore, we will follow the procedures set out by the Rochdale Safeguarding Children's Board with reference to Safeguarding Children and Young People who are deemed to be vulnerable to Violent Extremism:

In tackling extremism and radicalisation we will take account of the following national guidelines and legislation:

- CONTEST (Counter Terrorist Strategy) 2011
- Prevent Duty Guidance for specified local authorities HMI June 2015
- Channel Duty Guidance 2015
- Counter Terrorism & Security Act 2015
- The Prevent Duty, Dfe Departmental advice for schools and child care providers 2015

4. Duties, Powers, Responsibilities

Section 26 of the Counter Terrorism and Security Act 2015 places a duty upon Local Authorities and all specified settings including Schools in the exercise of their functions to have “due regard to the need to prevent people from been drawn into terrorism”. It is applied to bodies in the UK who have significant interaction with people vulnerable to radicalisation.

We are required in our functions under section 26 to:

- Know about and Identify early indicators in pupils.
- Develop the confidence to challenge and intervene.
- Assess the risk of our pupils being drawn into terrorism and terrorist ideology.
- Have clear protocols & keep records.
- Be monitored by Ofsted in how we exercise these duties.

We therefore recognise the Prevent strategy is part of the overall Counter Terrorism Strategy, CONTEST in the UK. The aim of Prevent is to reduce the threat to the UK from terrorism by stopping people becoming terrorist or supporting terrorism.

We understand Channel to be an element of the Prevent strategy aimed at stopping vulnerable people being drawn into terrorism, a programme working to challenge extremist ideas who work with individuals including children and young people.

We will work with the Local Authority and with other agencies in making sure we undertake our duties under Prevent.

5. Definitions & Indicators

We recognise that extremism is defined as the holding of extreme political or religious views. It is a vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty, mutual respect and the

tolerance of different faiths and beliefs. We also include in our definition any calls for the death of members of our armed forces, whether in this country or abroad.

We recognise radicalisation as the process by which people come to support terrorism, violent extremism and, in some cases, to then participate in terrorist groups, which can mean leaving their country to pursue this.

We recognise that children / young people can be enticed into radicalisation as they are more vulnerable and susceptible to this. They therefore can be drawn into violence or they can be exposed to the messages of extremist groups by many means especially on line and through social media. The school recognise that social media is increasingly a child's or young person preferred method of communication which can increase their risk to exposure to radicalisation.

Messages, views, ideologies that are extremist can come from parents/carers, family members or friends, and/or from direct contact with member groups and organisations. It can come from staff within an organisation, or be brought into a School by staff, governors, or volunteers.

Research has identified helpful lists of indicators based on actual UK case studies which would identify how a child or young person is vulnerable to radicalisation. The risk of radicalisation is the product of a number of factors and identifying this risk requires all our staff in **St Edward's C Of E Primary School** being able to exercise their judgement in raising any concern and reporting to the appropriate leads within the school.

We understand the following concerns as some indicators of vulnerability in children / young people to radicalisation and ones that are based upon research and from examples of case studies but that there is no definitive list and all these following concerns, indicators, factors and risk indicators are to be taken into account:

- Identity Crisis - distance from cultural/religious heritage and uncomfortable with their place in society around them;
- Personal Crisis - family tensions, sense of isolation, adolescence, low self-esteem, disassociation with existing friendship groups, becoming involved in new and different groups of friends, searching for answers to questions about identity, faith and belonging;
- Personal Circumstances - migration, local community tensions, events affecting country or region of origin, having a sense of grievance that is triggered by personal experience racism, discrimination or aspects of government policy;

- Unmet Aspirations - perceptions of injustice, feeling of failure, rejection of civic life;
- Criminality - experiences of imprisonment, poor resettlement/reintegration, previous involvement with criminal groups.

We recognise the following potential diagnostic Indicators identified in the CHANNEL Guidance which include:

- Use of language seen to be inappropriate (e.g. causing distress or alarm and perceived to be prejudiced, inflammatory, or hateful).
- Noticeable behavioural changes.
- Expression of extreme views.
- Possession of extremist literature.
- Advocating violent actions and means.
- Seeking to recruit others to an extremist ideology.

We also understand these critical risk factors which indicate a possible process of potential grooming/entrapment:

- Changes in faith/ideology.
- Sudden name change linked to a different faith/ideology.
- Significant changes in appearance.
- Secrecy on the internet & access to websites with a social networking element.
- Narrow/limited religious or political view.
- Attendance at certain meetings e.g. rallies and articulating support for.
- “Them” and “us” language/rhetoric.
- Justifying the use of violence to solve societal issues.
- Isolation from usual friends, family or social groups.
- Sudden unexplained foreign travel.

We will assess and monitor the risk of children being drawn into terrorism; the general risks may vary from area to area, and according to their age, local threat and proportionality. This School recognises we are in an important position to identify risks within our local context.

We will use our Child Protection/Safeguarding Report form used to raise safeguarding concerns in the school on an individual pupil and a risk assessment if

the concern is a Prevent concern. If the concern is a Prevent concern we will use the guidance and assessment as prescribed by the local authority.

We will try and help our pupils to keep safe on line and consider the impact of social media networking sites with additional consideration to the threat of exposure to extremism and radicalisation. We are aware of the increased risk of on-line radicalisation and how terrorist groups seek to radicalise young people on line.

We will use appropriate levels of filtering and consult with the relevant IT providers and provide training where necessary. (*E-Safety policy*)

6. The Role of the curriculum

We will work to ensure that our pupils will be skilled and equipped to be resilient and resist involvement in extreme or radical activities. Therefore we recognise the need to build resilience in our pupils to make them less vulnerable.

We will therefore provide a broad and balanced curriculum within which we aim to support pupils, Spiritual, Moral, Social and Cultural development (SMSC). SMSC development is promoted through all our subjects, including the ethos of our school where development of positive attitudes and values is central to everything we do.

Values underpinning public life in the UK have been summarised as democracy, the rule of law, individual liberty, mutual respect, and the tolerance of those with different faiths and beliefs. It is important that our pupils understand this through different approaches using a balanced and broad curriculum. This supports our pupils to be responsible citizens and prepares for an adult life living and working in Britain which is diverse and changing.

Our School will ensure the promotion of British values and that these efforts are inclusive and promote unity between pupils, parents/carers and the local community.

7. Training

As part of our statutory duties and through opportunities we will ensure that all staff are fully aware of the threats, risks and vulnerabilities that are linked to extremism and radicalisation. This includes been alert to early indicators, responding to and reporting. This will include all staff including volunteers, governors and will be incorporated into staff induction training.

We will ensure that all staff are trained to be equipped and skilled in this field, making available training resources and support opportunities where required. We will

follow the recommendations of the Local Authority and ensure staff attend Prevent/WRAP, or other recommended training and that this is relevant to the job role in the school.

In making sure that support needs are met of the pupils that staff including volunteers and governors understand CHANNEL, CHANNEL strategies and how to refer into Channel using local processes.

8. Safeguarding Roles and Responsibilities- Appendices A

9. Procedures for Referrals

We will treat any worry or concern that a child or young person in the School may be exposed to possible extremism, extremist ideology and or radicalisation as a safeguarding concern.

All concerns and incidents will be fully investigated and in all cases the Designated Safeguarding Lead can contact the Child Protection Manager for Schools or in their absence the Safeguarding Team for advice and around next steps.

The Department of Education has also a dedicated a telephone helpline (020 7340 7264) to enable staff and governors to raise concerns related to extremism. It is not intended for use in emergency situations.

Where a concern or incident is judged to be immediate and serious an appropriate lead in the School will contact the police directly.

All concerns will be referred by the Safeguarding Designated Lead into Starting Point. This is a single point of contact for advice, support and referrals for early help, MASS, Children's social care referrals.

There is a case referral pathway process and depending upon significance concerns will include a referral into the local prevent team, and decisions will be made around a referral into Channel.

10. Visitors & Use of the schools Premises

Visitors

- Upon arriving at the School all visitors including contractors will read the Safeguarding and Child Protection Guidance and any relevant Codes of Behaviour which they will be required to adhere to.
- Visitors and contractors will be subject to Identification checks which will include clarification of the purpose of their visit.
- **St Edward's C of E Primary School** may undertake further precautions in allowing visitors and contractors on their premises.

School Premises

We will ensure the school building will not be used to give a platform to extremists this will be monitored as follows:

- If a member of staff wishes to invite a speaker into **St Edward's C of E Primary School** prior approval and agreement will be made with the Head Teacher which will be subject to the appropriate school safeguarding checks.
- That the school will refer to the 'External Contributors Policy' updated and issued by DCC in November 2014 ensuring that this document is shared with the provider/speaker before the event. Once completed and checked with all parties in agreement the event can then be permitted to take place.
- Usage of school premises will be monitored and in the event of any behaviour not in keeping with this policy or the Safeguarding and Child Protection Policy, the School will terminate the contact and may in some circumstances contact the police.
