## *Exploring Faith, Life and Learning*

5<sup>th</sup> February 2025

Dear Parents / Guardians,

We are aware of the comments that have been made about St. Edward's on social media this week. We would like to respond to these comments by reiterating that we always try to do the best we can for the children in our care.

Our policies and procedures are all approved by our governors and, where appropriate, the local authority. They can be viewed on our school website. Our staff are committed, dedicated professionals who care about the children that they teach. We are aware that we cannot always resolve matters in a way that everyone involved would like, but we always consider the best interests of the children.

In our recent inspection, Ofsted stated that 'Pupils are happy at school. They have positive relationships with staff, which helps them to feel valued. Pupils know who to speak to if they are concerned or worried. They are confident that trusted adults will keep them safe.'

In a school, there will always be issues that arise, but when we are made aware of these, we try to deal with them in the best way we can, following the school or local authority procedures. Comments, concerns or complaints posted on social media can't be addressed by the school in a constructive manner. If you have a concern or complaint about issues in school or a member of staff, please raise it directly with the school, in line with our complaints procedure. This is on our website.

Thank you for your ongoing support.

Yours faithfully

Dr. A Petrie  
Headteacher

This school has been awarded a  
**Schools Extra Award 2002**  
for its out-of-hours provision

British Council International Schools Award
